Sir:

Applicant submits herewith references that may be material to the examination of this application and with respect to which there may be a duty to disclose.

This paper shall not be construed as an admission that the references are, or are considered to be, material to patentability as defined in 37 C.F.R. 1.56(b), unless specifically designated as such.

The filing of this Information Disclosure Statement shall not be construed as a representation that no material references other than those listed exist or that a search has been conducted.

The references are listed on the enclosed PTO form SB/08A which is in accordance with the requirements of M.P.E.P. 609. **An English-language search report indicating the degree of relevance found by a foreign patent office is enclosed to satisfy the requirement regarding a concise explanation of foreign language references.**

A Final Office Action was mailed on April 25, 2006. A notice of allowance has not issued.

STATEMENT UNDER 37 C.F.R. 1.97(e)

Each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Please charge any required fee to Deposit Account No. 05-1320.

Respectfully submitted,

Date: June 15, 2006
